4005 Manchaca Rd., Austin, Texas

Dr. Maoyi Cai

Maoyi Cai, M.D., M.S., Dipl. O.M. (NCCAOM)
Dr. Cai is the Academic Dean at TCTCM. He served as a board member of the Acupuncture Committee of Alberta, Canada, between 2003 and 2005. He was also the Dean of Academic Affairs at Alberta College of Acupuncture and TCM, between 1997 and 2005. Dr. Cai passed the American and Canadian medical licensing examinations, and was certified as an M.D. in 1997 and 1999, respectively. Dr. Cai practiced medicine, in the Shanghai Medical University, from 1984 to 1990. Dr. Cai joined the faculty of the Texas College of TCM in January, 2006.

Dr. Shaozhi Li

Shaozhi Li, Lic.Ac, Ph.D.(China)

A specialist in TCM diagnosis, Li has taught TCM for over 18 years in China, the U.S., and Russia. He served as Deputy Director at Hunan College of Traditional Chinese Medicine, Visiting Scholar at Michigan State University, and Associate Chair at Hunan College in China. He has extensive clinical experience and numerous publications to his credit, including: Chinese Therapeutic Methods of Acupoints, Theories of Chinese Medicine from Traditional to Modern, Teaching and Study of Diagnostics of Traditional Chinese Medicine, The Principles of Diagnosis and Treatment in Internal Medicine of Traditional Chinese Medicine, Traditional Diagnostics, Exercises of Diagnostics of Traditional Chinese Medicine, The Reference of Diagnostics of Traditional Chinese Medicine, and Diagnosis and Differentiation of Traditional Chinese Medicine. Dr. Li has written numerous research papers as well. Dr. Li has been a faculty member at the College since 2001.

Dr. Linying Tan

Linying Tan, Ph.D. (China)

Dr. Tan has taught professionally for more than eleven (11) years, and has been a practitioner of acupuncture for more than ten (10) years. She specialized in Internal Medicine, Acupuncture, Moxibustion and Tuina Science at Shanghai Research Institute of Acupuncture & Meridians and served as Attending Physician of Acupuncture and Moxibustion in the clinic. She is the author, principal and/or co-researcher of more than sixteen (16) published research articles and studies. Dr. Tan is a welcome new member of the core faculty of Texas College of Traditional Chinese Medicine in May of 2012.

Dr. Haitao Cao

Dr. Cao joined the TCTCM faculty in 2007 bringing with her more than ten years of experience as a clinician, instructor, and researcher in Traditional Chinese Medicine. In addition, Dr. Cao instructs our students in a variety of classes at TCTCM. Dr. Cao has published in journals such as Traditional Chinese Medicine Research and the Chinese Journal of integrated Traditional and Western Medicine on Digestion and has edited volumes such as Methodology of Traditional Chinese Medicine and Introduction to Traditional Chinese

Mary Boone

Mary Boone, M.S.W., J.D.

Ms. Boone is a veteran of the United States Air Force, where she served as a Psychiatric Social Worker, and later as a Judge Advocate (JAG).
