

## **Associate Acupuncturist Job Opening**

Pearl Acupuncture is a busy clinic in Richardson, Texas (a suburb just north of Dallas), looking for a personable, efficient, and coachable Associate Acupuncturist to join the team. We are a general acupuncture clinic and see clients for women's health and fertility, pain, stress-related emotional issues, digestion, and much more. We use a mix of traditional, Tung, and Tan Balance methods of acupuncture as well as fire cupping, moxibustion, gua-sha, and herbs as needed.

The ideal candidate should:

- Have a Texas acupuncture license and be NCCAOM certified
- Be able to handle 2-3 patients per hour
- Be self-motivated and willing to do business development
- Be available to see patients during evening hours and on the weekend
- Have a good working knowledge of herbs, cupping, moxibustion, and Tung/Tan Balance Method or a willingness to learn.
- Maintain excellent patient relationships and deliver results-driven treatments

Reception services, insurance billing, needles, sharps disposal, linens, and herbs are provided. The clinic does accept medical insurance from patients.

This is an employee (not contract) position with pay commensurate to experience plus performance bonuses with room for position growth. Performance reviews will be conducted twice a year with merit-based pay increases on the anniversary of hire. The employee will be directed, trained, and mentored by the head acupuncturist and owner in all aspects of patient care, practice management, and business development. We are looking for a long-term hire with drive to build experience and professional growth.
