THSU follows the semester credit system: 15 contact hours plus 30 hours of out-of-class work equals one classroom credit.

Course Numbering System

The course number consists of the department designation, academic level, number of credit hours, and sequence of the course.

Graduation Requirements

60 semester credits completed with a minimum overall G.P.A. of 2.0 or higher, combined with the 60 semester credits required to transfer in, to total 120 credits for the bachelor degree.

Maximum Academic Course Load

Students are considered full-time if registered for at least 15 semester credit hours. Students enrolled in this program may not register for more than 17 credits in any given trimester. Any exceptions must be submitted by the student to the Department Director, Academic Dean, and Senior Administrator for approval.

Maximum Classroom Size

The maximum number of students in a typical classroom is 24. The maximum number of students in a typical clinic setting is 8.

TOTAL	Total Required Credits for MBA with optional Healthcare Management Concentration	45	705

THSU follows the semester credit system: 15 contact hours plus 30 hours of out-of-class work equals one classroom credit.

To earn the MBA with Healthcare Management concentration, students must complete all 36 core credits required for the MBA degree, plus the healthcare concentration courses shown above.

Course Numbering System

The course number consists of the department designation, academic level, number of credit hours, and sequence number.

Graduation Requirements

Thirty-six (36) credit hours completed with a minimum cumulative grade point average of 3.0 or higher are required to receive the Master of Business Administration degree.

Forty-five (45) credit hours completed with a minimum cumulative grade point average of 3.0 or higher are required to receive the Master of Business Administration in Healthcare Management degree.

Maximum Classroom Size

The maximum number of students in a typical classroom is 24. The maximum number of students in a typical clinic setting is 8.

Maximum Academic Course Load

Students are considered full-time if registered for at least 9 semester credit hours. Students enrolled in this program may not register for more than 12 credits in any given trimester. Exceptions are made for students in dual-degree programs (e.g., MSAOM and MBA seeking students) that have applied for both programs and have been approved for the higher course load by the Academic Dean. Any additional exceptions must be submitted by the student to the Department Director, Academic Dean, and Senior Administrator for approval.
