AOMSCHOLARSHIP.ORG

AOM Scholarship Fund

15 years as the only non-profit AOM scholarship program in the U.S.

Ask your school if they are one of our AOM Scholarship Fund Sponsors. If so, you will qualify for additional scholarship opportunities. If not, ask them why they aren't!

Please visit the website for all of the information and forms you need to apply. Then contact your school's administration to see who is managing the application process for this program. Each school handles their selection process differently, at their discretion.

We are accepting each school's top three applications through January 15, 2020.

Award amounts range from \$500 - \$10,000 Depending on how many Sponsoring Schools and other donations we receive each year.

Email with any questions your school and our website do not address.
